HIGH SCHOOL WORK EXPERIENCE PROGRAM

GUIDELINES – ALPHA AVIATION LTD., (BOUNDARY BAY AIRPORT)

Background: The Cadet Leagues/BCAC in partnership with Alpha Aviation Ltd. is offering a 40 hour voluntary work experience program to selected senior students/cadets that will provide them with the opportunity to work in an airport operations environment. This work experience will also fulfil the 30 hour work experience and community service requirement for graduation. The program is intended to expose those students/cadets who are contemplating a career in the aerospace industry to a real life experience working within their industry of choice.

Students/Cadets attend the program as a high school student. To qualify for the program, a student/cadet must:

- be a resident of B.C.;
- be a grade 11 or 12 high school student;
- satisfy the school board requirements for the Provincial High School Work Experience Program;
- be excused from school for the period of one week work experience;
- have successfully completed a criminal record check; and
- have a demonstrated technical interest.

Outline: The program consists of one separate, one week employment period with the opportunity to employ a maximum of two students/cadets. Successful students/cadets will work, without pay, with Alpha Aviation Ltd. for a period of five working days during which time they will work within the selected industry under the direction of a member of the management team. Students/Cadets will be expected to attend an orientation tour and briefing at Boundary Bay Airport Operation Manager's office in the week prior to their high school graduation transition work experience, provide their own pair of approved work safety boots and provide their own transportation to and from the airport.

The Alpha Aviation Ltd.'s normal work day is from 8:00 (am) to 4:00 (pm). Students/Cadets from outside the Delta area are responsible for providing their own transportation, rations and quarters. The program will consist of a one week long work serial of two students each. The serial will be conducted from March 13 - 17, 2017.

Application Process:

- Students/Cadets are responsible for applying for a criminal record check and taking a completed application package to their squadron or a BCAC member. The Alpha Aviation Ltd. application package consists of an Alpha Aviation Ltd. program application, release and waiver liability form and, if required, its confidentiality agreement form, the attached work resume and Applicant Tracking Form.
- The Unit CO or BCAC Member and Branch/Sponsoring Committee Chair will ensure the student/cadet has submitted an application for a criminal record check, will review the completed program package, will make their recommendation and will sign and return package to student/cadet. The Branch/Sponsoring Committee Chair or BCAC Member will take the completed Applicant Tracking Form from the package and forward it to the appropriate League office or BCAC office.
- The completed criminal record check will be forwarded to Alpha Aviation Ltd., Attention: Marcello Garofalo.
- Student/Cadet makes a second copy of the approved application package and takes the original signed copy of the application package to school counsellor/high school work experience teacher who generates a Standard Worksite Agreement. The employer will be:
